As an accredited retailer of Dyson components, maintenance and repair services, we should be your first port to call in the improbable event of a break. More silent and cleaning up to a maximum of 79dBA under normal circumstances and approved by the noise felling company with their quiet Mark Award, the Dyson HU02 is more peaceful than 35% of its predecessor. Why choose Ally? Limited warranty for 5 years for parts and labor. Dyson AirBlade A € "à € Hand dryers have HEPA filters installed to capture 99.95% of the bacterial sized particles from the air. Without heating element, the HU02 V is extremely efficient from the energy point of view. This means that The hands are dried with clean air, no dirty air. The Dyson HU02 meets the NSF protocol P335, the standard set for hygienic hand dryers. Want to learn more? If you have questions or queries, contact our friendly team of specialists today . And the openings have reduced from 0.8mm wide cutting noise to 0.55 mm without losing the air speed .Airblade "à € Technology. A remarkable improvement on the AB14LA Dyson HU02 is a considerable improvement of the previous Airblade models. It costs up to 80.3% less to be performed from standard hand dryers and up to 97.9% less than paper towels. DC engine without V4 brushes with digital pulse technology (83,000 rpm); A, 420 to 430 mph airspeed. We are a leading dealer of Dyson products, parts of Dyson and maintenance providers. Technical details of the Dyson Digital V4 engine. You already know that there are lots of bathroom suppliers for the bathroom outside the Internet. 5-year warranty The Dyson HU02 hand dryer is covered for 5 years from the date of purchase, subject to the terms of the limited warranty. The engine the fully integrated 1000 watt engine has been redesigned e x x mm 493(Àtidnoforþ ni 4 x azzehgral ni 23 / 7.9 x otlá ni 2 / 1.51 :inoisnemíD. otaella osu'llus eneb eritnes Áraf it ehc obrepus e otazzilanosrep itneilc oizvres' 7otaella ereilgecs itersvod ©Áhcrep ,inoizpo etseuq ettut noC. erbbil 25.9 Á .otanoizefnoC -jgk 68.2(X 100mm) Weight: Net. Á. 6.32 pounds. Touch Free Operation The Dyson HU02 is a working without touch with a capacitive proximity sensor. Using a V-shaped air blade, this hand dryer is a practical design that boasts a dry time up to 12 seconds thanks to its 1,000 W digital V4 engine that produces a 430 mph. pruding air speed Just 10 centimeters from the wall, the Dyson HU02 is a thin and compact dryer that flows firmly up and out a rear plate mounted for easy installation, maintenance, cleaning and repair. The Airblade HU02 is small, but the drying time of 12 seconds is powerful reached thanks to the HU02 V4 engine. Cozy environmentally friendly The Dyson HU02 hand dryer helps reduce your carbon footprint. Hygienic hand drying The Hand dryer Dyson Airblade V uses a double HEPA filtering system to remove 99.97% of 0.3 micron bacteria from the air, so the hands are dried using clean air, not dirty. These benefits include: our lowest guaranteed price of any retailer-based retailer, to make sure you will never pay too much. Spinning at 90,000 rpm, three times faster than your conventional commercial hand dryer, the efficiency of the Dyson HU02 and the quick drying capacity can save you over 80% on energy costs than conventional and 95% dryers On old school paper towels. It's not all about speed and efficiency, though ... you want a hand dryer who is about to last able to cope with a high use, Dyson says over 500 individual uses a day ... it's not necessary Carry up with the engine burning. The air speed is actually increased in the HU02 while pulling less air through the machine. The airblade, "à € v HU02 sprayed the It is available in 2 different voltage options: low voltage (100V / 120 V) and high voltage (200V/240V): make the selection of the checkout voltage. With a 12-second dry time, the Dyson HU02 allows users to spend less time in the bathroom.
